

## **END-USER LICENSE AGREEMENT (EULA) OF CYCLONE DATACENTER**

This End-User License Agreement ("EULA") is a legal agreement between you and RadioBro Corporation

This EULA agreement governs your acquisition and use of our Cyclone Datacenter software ("Software") directly from RadioBro Corporation or indirectly through a RadioBro Corporation authorized reseller or distributor (a "Reseller").

Please read this EULA agreement carefully before completing the installation process and using the Cyclone Datacenter software. It provides a license to use the Cyclone Datacenter software and contains warranty information and liability disclaimers.

If you register for a free trial of the Cyclone Datacenter software, this EULA agreement will also govern that trial. By installing and/or using the Cyclone Datacenter software, you are confirming your acceptance of the Software and agreeing to become bound by the terms of this EULA agreement.

If you are entering into this EULA agreement on behalf of a company or other legal entity, you represent that you have the authority to bind such entity and its affiliates to these terms and conditions. If you do not have such authority or if you do not agree with the terms and conditions of this EULA agreement, do not install or use the Software, and you must not accept this EULA agreement.

This EULA agreement shall apply only to the Software supplied by RadioBro Corporation herewith regardless of whether other software is referred to or described herein. The terms also apply to any RadioBro Corporation updates, supplements, Internet-based services, and support services for the Software, unless other terms accompany those items on delivery. If so, those terms apply.

### **License Grant**

RadioBro Corporation hereby grants you a personal, non-transferable, non-exclusive license to use the Cyclone Datacenter software on your devices in accordance with the terms of this EULA agreement.

You are permitted to load the Cyclone Datacenter software to a single server or virtual machine instance under your control. You are responsible for ensuring your device meets the minimum requirements of the Cyclone Datacenter software.

You are not permitted to:

- Edit, alter, modify, adapt, translate or otherwise change the whole or any part of the Software nor permit the whole or any part of the Software to be combined with or become incorporated in any other software, nor decompile, disassemble or reverse engineer the Software or attempt to do any such things
- Reproduce, copy, distribute, resell or otherwise use the Software for any purpose other than the intended use
- Use the Software in any way which breaches any applicable local, national or international law

- use the Software for any purpose that RadioBro Corporation considers is a breach of this EULA agreement

## Intellectual Property and Ownership

RadioBro Corporation shall at all times retain ownership of the Software as originally received by you and all subsequent receipts of the Software by you. The Software (and the copyright, and other intellectual property rights of whatever nature in the Software, including any modifications made thereto) are and shall remain the property of RadioBro Corporation.

RadioBro Corporation reserves the right to grant licences to use the Software to third parties.

## Termination

This EULA agreement is effective from the date you first use the Software and shall continue until terminated. You may terminate it at any time upon written notice to RadioBro Corporation.

It will also terminate immediately if you fail to comply with any term of this EULA agreement. Upon such termination, the licenses granted by this EULA agreement will immediately terminate and you agree to stop all access and use of the Software. The provisions that by their nature continue and survive will survive any termination of this EULA agreement.

## Governing Law

This EULA agreement, and any dispute arising out of or in connection with this EULA agreement, shall be governed by and construed in accordance with the laws of us.
